

**REMARKS**

Reconsideration and entry of the above amendments and these remarks are respectfully requested. Claims 20 and 22 have been amended. Non-elected claims 6-9, 28 and 29 have been canceled. Thus, 20, 22, 26-27 remain pending.

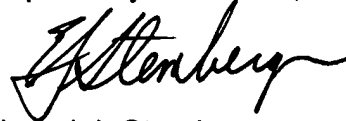

Claims 20, 22 and 26-27 stand rejected under 35 U.S.C. 112, second paragraph. Claims 20 and 22 have been amended to remove "volume" in line 26 of claim 20 and line 30 of claim 22. It is respectfully submitted that all pending claims are in full compliance with 35 U.S.C. 112. Therefore, the rejection should be withdrawn.

Claims 20 and 22 stand rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 3-7 and 12 of U.S. Patent No. 6,886,758. A Terminal Disclaimer and Statement under 37 CFR 3.73(b) accompany this Amendment to remove the rejection.

Since no new issues are raised and the Amendment places this application in condition for allowance, Applicant requests entry of the Amendment.

All rejections having been addressed, it is respectfully submitted that this application is in condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,

Edward J. Stemberger
